

TENUTA
LA SABBIOSA

BIO

Designation: Carignano del Sulcis Doc

Year: 2020

Organic Grapes: 100% Carignano

Pre-phylloxera vineyards

Vineyard location: Calasetta, Isola Sant'Antioco - Sardegna

Soil: Sandy

Grape Vine Training Methods: gobelet and Cane Pruning

Ages of the vines: 70- 100 years

Yield per vine: 1kg/1.2kg

Yield per hectare: 25/35 quintal/ha

1 plant = 1 bottle

Harvest and year description: start of the year with temperatures well above average
with little or no rainfall.

Nice and regular rains in spring with high temperatures.

Strong mistral winds and sporadic rain in summer.

Very rainy September which however did not delay the harvest given the high temperatures.

Harvest started on September 17th.

Vinification: Careful selection of the grapes, harvested by hand in small boxes.

Destemming of the bunches and subsequent mashing.

Fermentation in stainless steel tanks at controlled temperatures 26-28° C.

Repeated pumping over and delestage ensure good extraction of the aromatic and coloring components.

Refinement: Storage in stainless steel tanks at controlled temperature
and then aging at least 6 months in the bottle.

Production: 1000 bottles

Tasting notes: ruby red color. Rich and persistent, fruity bouquet
with elegant balsamic notes of Mediterranean scrub typical of the production territory.

Warm and savory with the presence of subtle and balanced tannins.

Recommended pairings: meat dishes, cured meats, cheeses, mushrooms.

Serving temperature: 16-18° C

Alcohol content: 14%

Residual sugar: 0,73 gr/l

Total acidity: 5,40 g/l
